Letter of Recommendation

To whom it may concern,

I have worked with Agata Adamczyk & Associates to resolve a late payment issue with one of our publishers, based in Poland. Ms. Adamczyk has been very professional and thorough in explaining our options and helping us to resolve the issue, including:

- * Communicating with the publisher and preparing the necessary legal documents,
- * Negotiating a payment schedule,
- * And following up with all of our questions and concerns in a timely manner.

Ms. Adamczyk's guidance and attention to customer service was a great help to us, and we were able to finally receive those late payments and resolve the issue thanks to the legal guidance and advice offered by her and her firm. We can sincerely recommend Agata Adamczyk & Associates, and we won't hesitate to use her services again in the future.

Sincerely yours,

Kevin Brothaler
