

Lyon, 17th December 2010

**Recommendation letter**

I have cooperated with Attorney-at-law Agata Adamczyk from the law firm Agata Adamczyk & Associates in Cracow, Poland since 2006 until present day. She has provided legal services to the Clients of mine and Bignon Lebray & Associés at all times when the Polish law firm was necessary.

During this period she has presented not only high quality of legal services but also remarkable business consciousness.

Ms Adamczyk is fluent in English and French, including legal language, and is keen on using innovative technologies which makes communication with her efficient and comfortable.

I have appreciated the short time of reaction and punctuality as well as her readiness to use the expert's knowledge to the benefit of the law firm's clients.

During the period of our cooperation Ms Agata Adamczyk has worked for the capital groups where the head of the holding were be the following French Clients:

- Weiss France S.A. – preparation of the Articles of Association, legal advisory to the Client in the area of corporate law and fulfillment of all formalities with regard to registration process of Biomass Boiler Plants Limited Liability Company in Cracow, including arrangement of sworn translation, notary services and representation before the court register,
- JV Communication – creation of the branch office of JV Communication SA in Cracow, including arrangement of sworn translation, notary services and representation before the court register
- Alpina Savoie Limited Liability Company – preparation of the share purchase agreement and legal and tax advisory with regard to the corporate law,
- Triwalor Polska Limited Liability Company - legal advisory and preparation of legal documents with regard to company liquidation and insolvency,
- Haulotte Polska Limited Liability Company - legal advisory and preparation of written legal opinion with regard to corporate law: civil and penal infringements of the member of the management board,
- Tauw Environement SA – preparation of a large legal analysis in the area of environmental law,
- Newen France SA – legal and tax advisory and verification of contract for services,
- Alma Consulting Group – preparation of memorandum on fiscal and legal regulations of polish national law applicable to convention de gestion de trésorie centralisée (cash pooling).
